

Bluebird Brands

Bang on the Door are delighted to announce a number of new signings for their brands including Bluebird Brands who will launch their range of FABric Animals **gifts & accessories** – money boxes, keyrings, umbrellas & purse sets, travel, pamper & holiday sets, canvass book bags with bookmarks & shoppers – early 2011 in the UK.

Cotton Crosses

In addition, Cotton Crosses will develop a full range of **cross-stitched characters** in the UK. The Cotton Crosses deal sees Bang on the Door return to the cross-stitch category after 3 ½ years. Boasting a pedigree design team, Adam Taylor of Cotton Crosses says, "We are very interested in Bang on the Door. Although this has been done before in cross-stitch we believe we can add a new dimension to this brand and our designers are already coming up with ideas on how to enhance this range."

Hong Kong Licensing Show Jan 2011

Work has started on a **new website**, focusing on FABric Animals & incorporating an exciting **social networking** programme to link fans globally.

Yum Chal BotD's Karen Duncan & Terence McCann savouring the delights of Hong Kong's food market

January saw BotD exhibit for a second year at the **Hong Kong Licensing Show**. The level of interest & enthusiasm from potential **agents, licensees & retailers** points to a very exciting future for BotD in Asia-Pacific.

DNC

DNC continue their long involvement with Bang on the Door by signing up for the increasingly popular FABric Animals range, developing a **Kitten lunchbag & bottle** which has been snapped up by Next, Wilkinsons, Debenhams International, Rymans, Matalan and Dunnes.

Fashion Lab

Watermelon & Fashion Lab have collaborated with Bang on the Door to produce a FABric Animals **childrenswear apparel** range, which has also been picked up by Next.

Shreds

UK kids textiles licensee Shreds are also developing a range of childrens backpacks, bags, tabards & aprons using the FABric Animals for 2011.

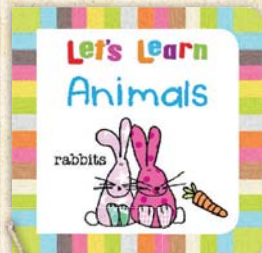

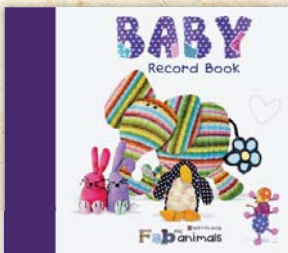

Personalised Memento Co.

A very recent signing is Personalised Memento Company for a **diverse range of gifts** including engraved, laser engraved, embroidered, decorated glass, candles and ceramic products, covering every occasion.

Ice Water Press

In addition, Bang on the Door have just completed an **A-Z of Fab Animals** for Ice Water Press in Australia for toddler books, the UK's Cotton Crosses for stitch-kits and Primary Teaching Services for teacher and parent educational cards.

Big Balloon/Lannoo

Internationally, Big Balloon of Belgium have imported Holland Publishing/Little Star Creation's Groovy Chick Sticker & Activity Books for a European translation and Lannoo have developed another full FABric Animals stationery & bag range for 2011 on the back of their successful 2010 range. Lannoo have also begun development of their third FABric Animals range for 2012.

Fung Lin Wah

Bang on the Door have also finalised a direct deal with Fung Ling Wah to produce **ceramics & melamine** using a multitude of classic Bang on the Door characters and designs.

Venetsianos

Staying in Europe Greece's Venetsianos are developing their second full range of **nightwear** utilizing a number of Bang on the Door's classic brands.
